

# SKELETON DONATION CONTRACT

the  
Edinburgh  
Dungeon

BURKE  
AND  
HARE  
THE BUSINESS OF MURDER

WE HERE AT THE EDINBURGH DUNGEON  
HAVE LEARNT FROM OUR GOOD FRIENDS  
MR. BURKE AND MR. HARE ABOUT THE IMPORTANCE  
OF BODILY DONATIONS FOR THE ADVANCEMENT OF MEDICAL SCIENCE.

As the owner of a valid Organ Donor card, we would like to offer you the opportunity to become immortalised as an Edinburgh Dungeon exhibit by donating us your old bones after you die.

Please read the below paragraph carefully and fill in the blanks to sign away your after-life.

After my death, I ..... hereby bequeath  
my skeleton in its entirety to the Edinburgh Dungeon.

The Edinburgh Dungeon may use my skeleton for the purposes of display in any exhibit  
in the Dungeon they should so choose.

I understand that as part of this contract it will be my own responsibility to have  
my bones removed from my body and cleaned professionally at a place of my choice before  
my bones are delivered to the Dungeon. *Failure to provide proof of this preparatory  
action renders this contract invalid.*

I understand on signing this binding contract I will be required to change my  
will to this affect and undertake any necessary legal paperwork on my own behalf  
to bequeath my bones to the Edinburgh Dungeon.

I understand the Edinburgh Dungeon has no claim on any other part of my body but  
my bones, and that the rest of my body is mine to dispose of as I decree.
